

# Let's Pick Up the Pace!

## DO THE TINA TWO-STEP

Only two quick steps needed to join Tina Peters in the fight for fair, auditable elections, with no outside interference.

**STEP 1:** Call the White House at 202-456-1111 or the switchboard at 202-456-1414

Tell President Trump to use his pen to eliminate all machines in federal elections.

**STEP 2:** Call Commerce Secretary Howard Lutnick at 202-482-4513

Tell him to treat voting systems as critical infrastructure and order the removal of any voting equipment with Chinese-made components.
