Are you ready for what's coming?

UFOs and God asks the question, "Are we ready for the coming disclosure? After 80 years of secrecy, the government says, "Yes. UFOs are real." What's a person to think? From seeing spacecraft to interactions with aliens, there are so many unanswered questions!

UFO's and God documentary uses experts, scientists, theologians, and experiencers to give you the tools to talk to anyone about this phenomenon. An entertaining and informative film, you will enjoy sharing with family and friends, believers and skeptics alike.

Ephesians 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.
